

2019 IRS Non Filer Statement (Student)

Student's Name:	
Kenyon ID (or last 4 of student's SSN):	

As part of the 2021-2022 Kenyon financial aid application process, we require that all applicants provide copies of 2019 federal tax forms for both parents and students. In some situations, the student and/or parent may not be required by the IRS to file federal taxes. You may submit this form if you were not required to, nor did you, file a 2019 federal tax return.

If selected for verification by the Dept. of Education you also may need to request a verification of non-filing letter from the IRS. You will be notified by our office if you need to request this letter.

Please be sure to:

- List all income earned or received during 2019
- Upload copies of all W-2's and/or 1099 forms received in 2019 to the student's admission status portal
The portal may be accessed at admissions.kenyon.edu/register/upload_finaid_docs
