This comment is related to question #9.NCAA Conference Distributions, including all Tournament Revenues. We did not enter an amount for this question because the Kenyon College Athletics Department operating budget has two budget lines to cover (1)NCAA post season conference distributions (\$41,360.74) and (2) tournament hosting (\$10,568.67). We included these amounts in the totals for question #7. Direct Institutional Support. Regarding question #27. Game Expenses, this total does not include the "game management" part of our assistant coaches' salaries because it is already included in question #21. Support Staff, Administrative Salaries, Benefits & Bonuses Paid by the University.
